Anyone can be solo staking but they can still struggle

Solo stakers are important!

Where to start?

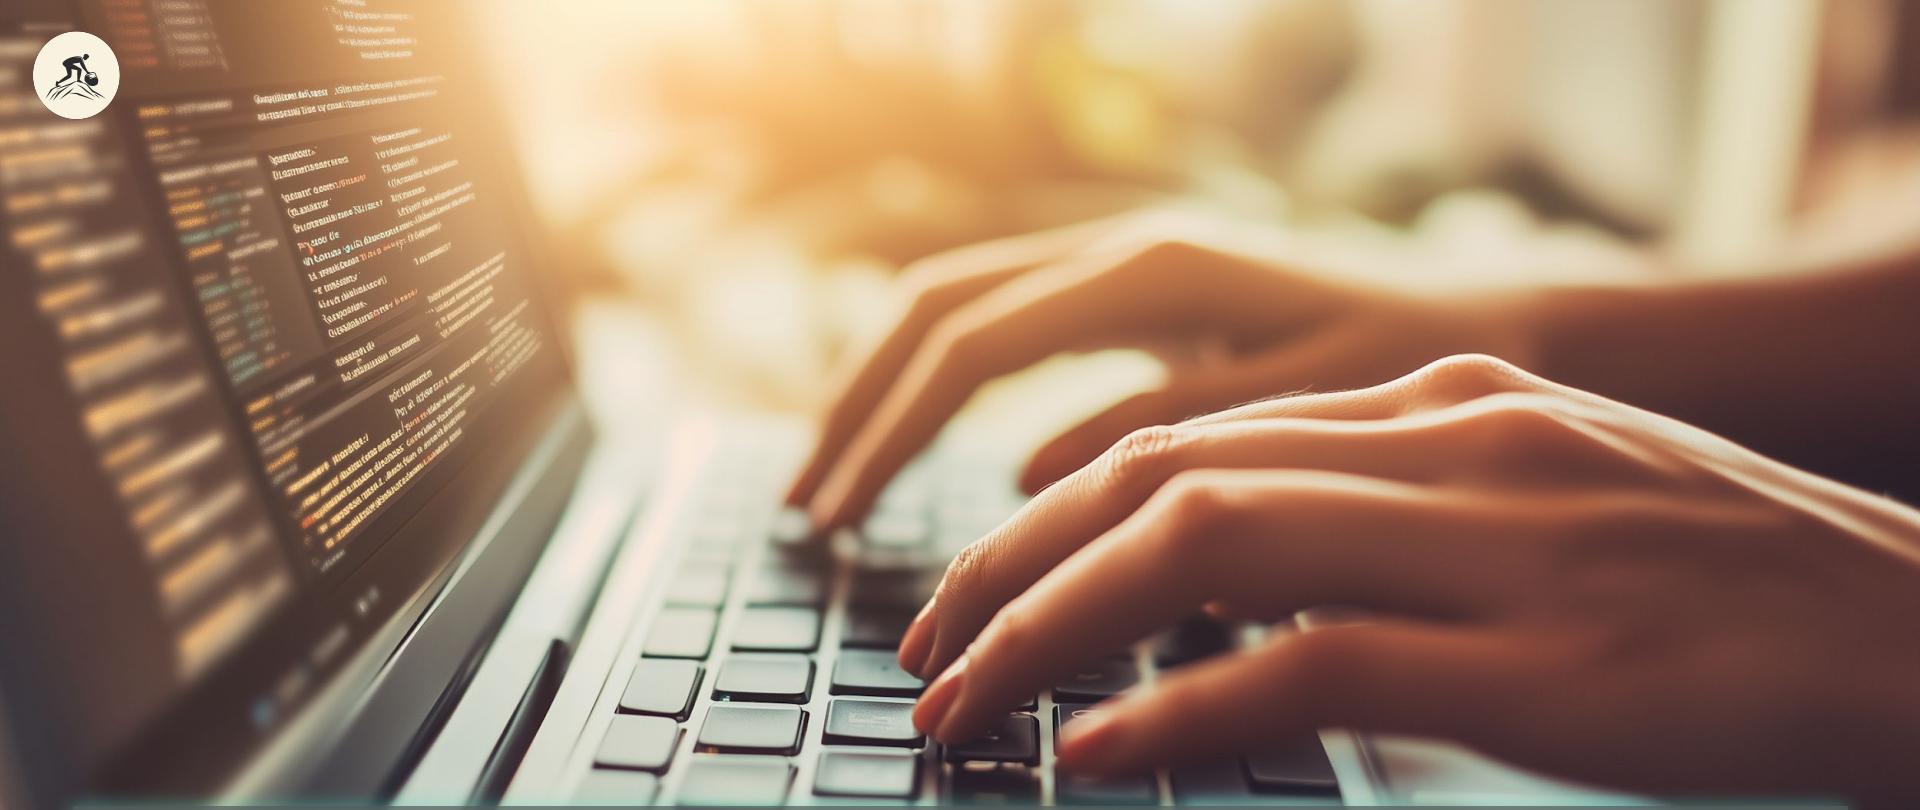

There are 55 differents ways of staking!

What hardware and setup do I need?

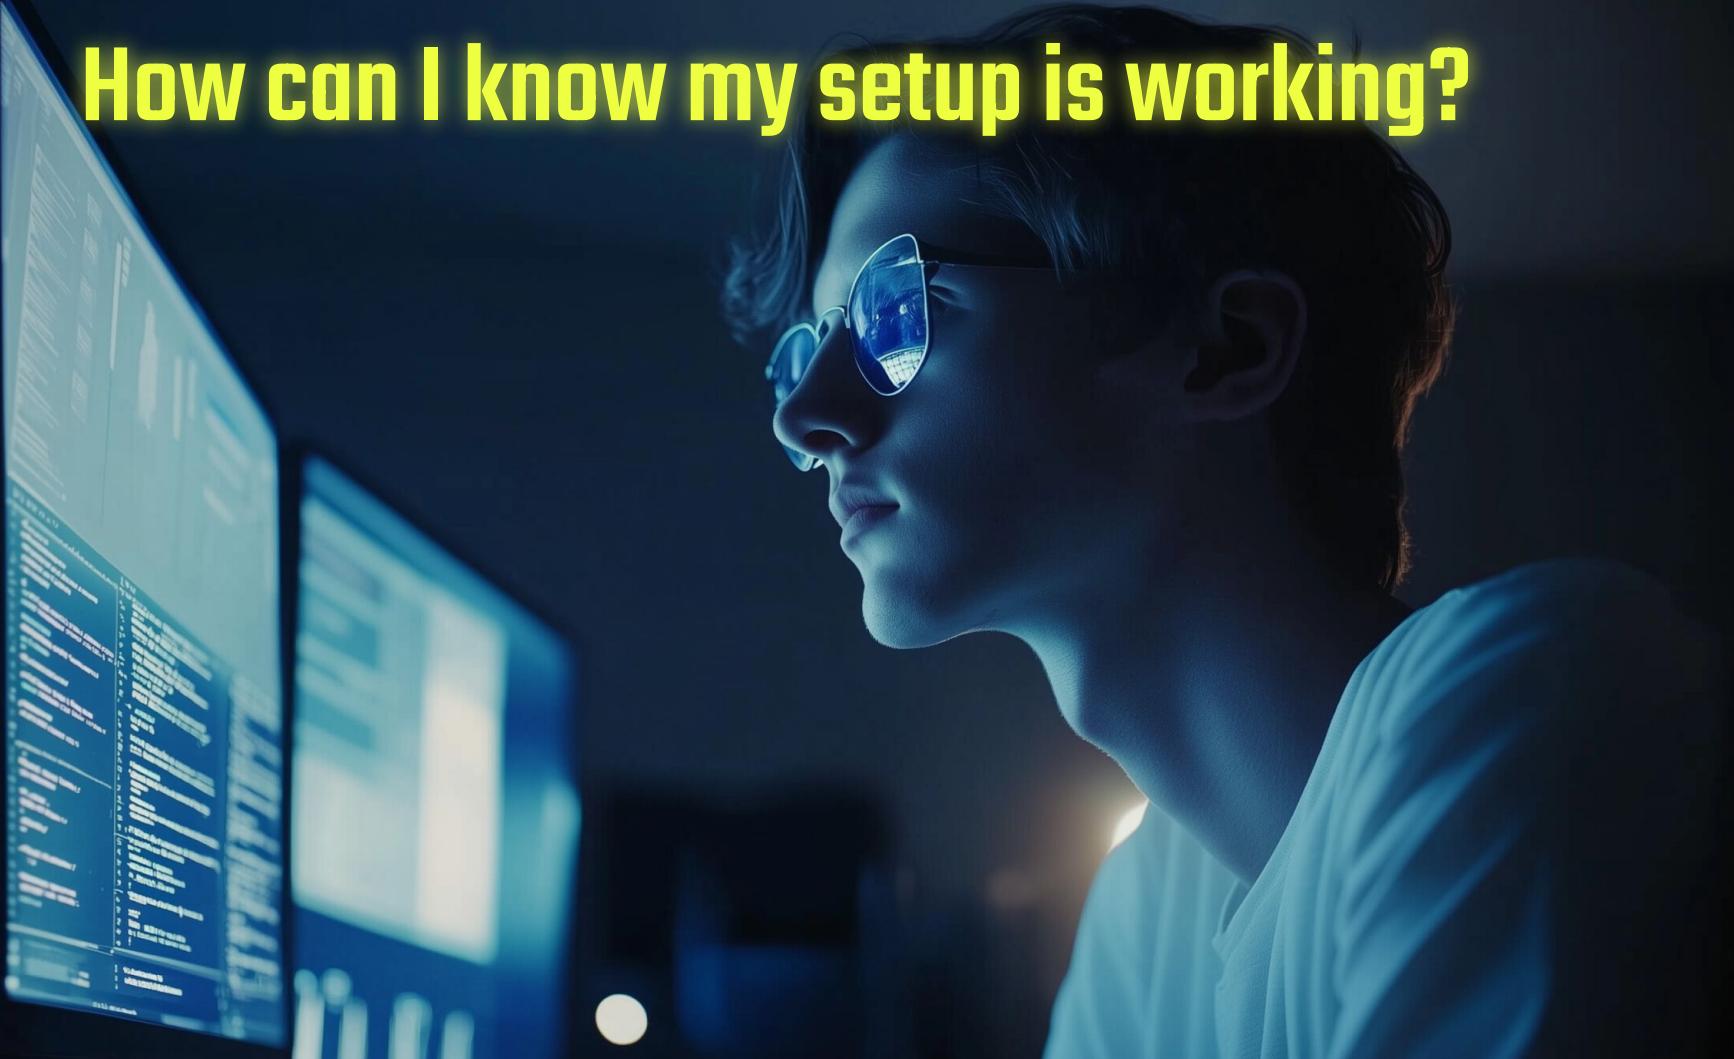

How do I install everything and configure my machine?

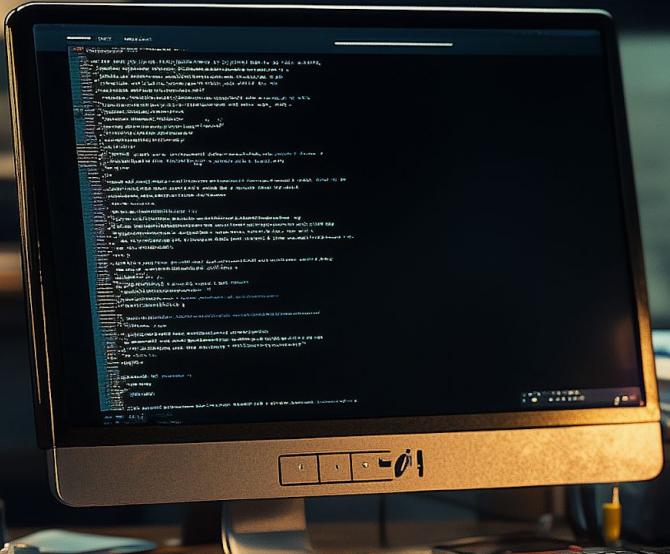

How can I know my setup is working?

I can't watch Netflix anymore!

My machine just stopped working overnight!

Wait, I need to upgrade my SSD now?

Why is my APR so low?

I'm out. How do I get my stake back?

Any question?

"The important thing is not to stop questioning. Curiosity
has its own reason for existing."
