Meet Richie, a script & content writer from Nigeria and one of 9,000 Opera News Hub freelancers who receives his monthly earnings on MiniPay. ✨📱

Through MiniPay, Richie receives his earnings in dollar value via USDT, helping him preserve the value of his income amidst local currency fluctuations.

Not only can he save and earn weekly rewards, but MiniPay also lets him pay local bills and send money to family and friends—all without needing to cash out.

And whenever he wants, he can withdraw to his local payment method at competitive rates—in under 60 seconds! 🌎💪

Meet [@nikodcg](#) who while traveling through Kenya and Nigeria lost his wallet and was left with nothing else but his phone.

Thanks to MiniPay he was able to move seamlessly from country to country and pay like a local for everything—with stablecoins.
