## Governance

By delegating your governance votes to L2BEAT, you're supporting our mission to protect the interests of the Ethereum community and uphold our shared values. Together, we can lead the L2 ecosystem towards a safer, more secure decentralized future.

DELEGATE YOUR TOKENS

Arbitrum   Connect   Hop  
Optimism   Starknet   Uniswap

If you'd like to see us act as a delegate in another protocol, please let us know and we'll see what we can do.

**Governance is the most  
important thing we are trying  
to figure out in crypto.**

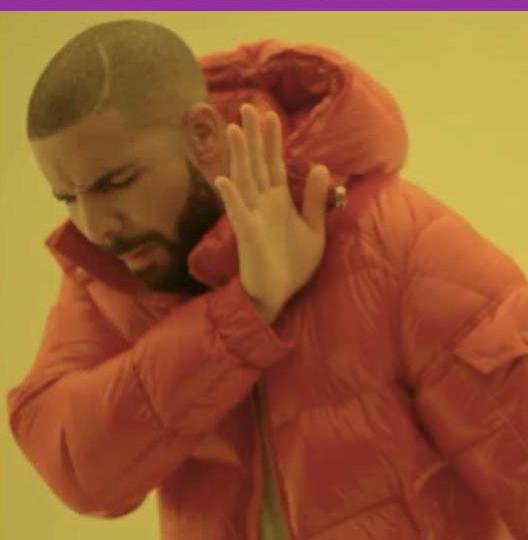

A cartoon image of Homer Simpson from the TV show 'The Simpsons'. He is standing in front of a large, multi-story building with many windows. He is holding a white sign with the words 'THE END IS NEAR' written on it in black, blocky letters. He has a shocked or surprised expression on his face, with his mouth open and eyes wide. His right arm is raised, pointing upwards. He is wearing his signature yellow shirt and blue pants. In the background, another Simpson character, Moe Szyslak, is visible, looking out from a window on the left side of the building.

THE  
END  
IS  
NEAR
